

DESCRIPTION OF SERVICE FACILITIES

Midwest Bus Corporation consists of:

1. Midwest Bus Rebuilding Division is located at 1940 West Stewart Street, Owosso, Michigan. The facility is situated on eight and one half acres of land in an industrial area of Owosso. Improvements to the property consist of a factory area of 32,080 square feet, with an attached office area of 2,400 square feet. In addition, there is a paint facility of 2,640 square feet detached from the main facility. The main building is completely sprinkled and provides for controlled unit rebuilding, sandblasting, and window rebuilding in addition to the main work areas of the building. We have recently retrofitted the building with CNG detection and alarms.
2. Midwest Bus Aftermarket Parts Division is located at 1930 West Stewart Street (adjacent to Midwest Bus Rebuilders, Corp.) in Owosso, Michigan. This facility is situated on two acres of land and consists of a warehouse and assembly area of 9,000 square feet, office area of 1,000 square feet, and a separate shipping and receiving storage area of 2,980 square feet.
3. Midwest Bus has an additional paint booth, production and storage facility located at 1070 Aiken Street in Owosso, Michigan of over 20,000 square feet.
