Potential suppliers of materials and services must have proven passenger ADA-compliant bus/van industry experience. On the major systems and components of the passenger bus, a supplier's manufacturing facilities shall be certified or compliant with the Quality Program requirements as directed by ANSI/AQS Q9001, ISO 9001, ISO 14001, or demonstrate compliance with an equivalent program. All products must meet extremely high quality and reliability requirements.

Midwest Bus will also be hosting an open house from 2:00 to 4:00 on July 23, 2024 at our main facility, 1940 West Stewart Street, Owosso, MI 48867. All interested parties are welcome to attend. However, we ask all to pre-register by e-mailing me at the address below.

Interested companies should contact Midwest Bus Corp. DBE Liaison Julie Velasco at their earliest convenience - Juliev@midwestbus.com.

Thank you for your interest,

MIDWEST BUS CORPORATION

Julita (Julie) Velasco
